 Best Landscape Company Two Years in a Row & Best Tree Service!

Hello everyone –

I want to take this opportunity to wish you, your family and friends a happy holiday season and a Merry Christmas. I especially appreciate your enthusiastic support and great questions that you have been sending in each week for the "Ask the Landscape Professional" series that has been running now for almost 4 years. I answer each question that comes in and the ones of most interest get published each week. Keep those questions coming!

At Sprigs & Twigs, we are grateful for the blessings we have received over the last 20 years of our operations and look forward with excitement to 2017. I am especially proud to represent a staff of over 20 career professionals, 70% of whom have college degrees in a relevant field. Many of you have experienced them first hand; they are knowledgeable, a pleasure to be with and craftsmen with high quality standards. We work on all aspects of outdoor living spaces: landscape design, installation and maintenance, tree care, organic lawn care, custom stonework, custom carpentry, snow removal and firewood (www.SprigsandTwigs.net). Our newest division: Floral & Décor launched in mid-2016 with three experienced floral designers that specialize in weddings, parties and corporate events (www.SprigsandTwigsFloral.com). Sprigs & Twigs excels in projects both large and small and always offers free consultations. Please contact us with any questions you have and if you are interested in any of our services. Have a joyous and safe holiday season!

Sincerely,

Linda K. Lillie
