Linda's Favorite Things!

In the spirit of the holiday season, I would like to share some things with you that I've come to really like over the years! For each of the next three weeks, several of my "Favorite Things" will be featured here and will be given away to a lucky reader. Contact us (see instructions below) to enter each time you see something you would like to win. Weekly winners will be chosen the following Sunday. On December 22, I will feature a Grand Prize that will be given away - a hand-sculpted, ground level, granite bird bath valued at \$400! Good luck!

Linda's Favorite #1 - Tubtrug

These flexible, lightweight polyethylene tubs are washable, bendable, crushable, and nearly indestructible. The tub holds 11 gallons and is great for collecting weeds, carrying hand tools and supplies out to the garden and more. Sprigs & Twigs uses these tubs all season!

Linda's Favorite #2 - Multi-Use Hori Hori Knife

This versatile tool is ideal for weeding, transplanting and dividing perennials. The 7" stainless steel blade of this hori hori knife is tapered to a point and serrated on one side for slicing through sod and tough roots. The Sprigs & Twigs landscape team uses this knife on every job!

Linda's Favorite #3 - Florian Ratchet-Cut Pruners

Florian's unique ratcheting mechanism lets you cut through stems and branches up to 3/4" diameter in a series of short, easy strokes. The fiberglass-reinforced nylon body is surprisingly lightweight, keeping your hand from tiring. The cutting blades are high carbon steel with a Teflon coating to resist sap buildup.

There are three ways to enter: 1) Send an email to Lindasfavorites@sprigsandtwigs.net, 2) Call the Sprigs & Twigs office at 860-235-0752 or, 3) Visit www.sprigsandtwigs.net and complete the "Contact Us" form. Include your name, address, phone number and the Favorite Thing(s) you would like to win.
