

Sprigs & Twigs Landscape Design Services

Our design team is led by national award winning designer, Linda K. Lillie who specializes in environmentally-friendly, low maintenance and naturalistic landscapes. Our landscape designers have extensive knowledge about the many plant varieties native to southeastern Connecticut. Designs are created based on unique property needs. We consider your preferences, seasonal interest, year-round color and a range of plants to attract birds, butterflies and beneficial insects.

Design We present our one-of-a-kind designs in the comfort of your home or at our office.

Installation Sprigs & Twigs provides a sustainable landscape installation by preparing the soil and planting beds with organic compost, organic fertilizer and beneficial microbes.

Maintenance Our professional, extensively trained staff works hard to maintain the natural beauty of your landscape through quality maintenance and expert care.
