Linda K. Lillie of Sprigs & Twigs

Welcome to my weekly series!

Feel free to send me questions you'd like to have me answer and I will do my best to address the ones of most general interest. **Email or mail your questions to: info@sprigsandtwigs.net or Linda Lillie, Sprigs & Twigs Inc, PO Box 245, Gales Ferry, CT 06335**

Question of the Week: *I am out of town (in a warm place) and I am concerned about my property with all of the snow on my roof and trees, can you help me?*

We Certainly Can ...

While Sprigs & Twigs does not plow snow, we do have a 62ft bucket truck and our crews can get snow off roofs and trees to help guard against their collapse and limb breakage. Give our manager of Tree Division, Jon Laput, a call at 860-333-3658 for a free estimate. We would also be pleased to take care of any trees that are already down or damaged, give us a call. For other folks that are getting the snow off their trees, remember, its safety first. If you can't safely get the snow off, call us.

As the weather warms up, you also might be interested in some of our other Maintenance services. The single most important element in maintaining any landscape is consistent maintenance. Sprigs & Twigs trained, professional staff works hard to maintain the natural beauty of your landscape through quality maintenance and expert care.

Sprigs & Twigs offers a complete range of landscape maintenance services from single visits to weekly maintenance throughout the season. We refresh and refurbish older landscapes, provide landscape renovation and restoration services, and seasonal services such as a Spring Spruce-Up or Fall Close-Down to prepare gardens for the season ahead. Sprigs & Twigs also provides absentee owner and property management services. All maintenance services consist of pruning, weeding, edging, mulching, fertilizing, planting, and transplanting new plants. Give us a call, we'd be happy to take care of your needs, no matter how large or small.
