"Ask the Landscape Professional"

Turns 100 Today!

This is the 100th "Ask The Landscape Professional" article and I wanted to use this opportunity to thank my many loyal readers for their support over the last two years. When I started this series, I wasn't sure there would be enough interest to sustain it, but there has been overwhelming, enthusiastic support from thousands of people in the community. I have gotten many, many great questions by email and in person and it's been a real pleasure to provide you with honest, direct feedback. **Keep those questions coming!**

I have decided to expand "Ask The Landscape Professional" by offering periodic classroom lectures on a variety of topics.

The sessions will be open to the public and will be held in our Gales Ferry office at 41 Kings Highway, Suite 207. Space is limited and you need to call the office (860-235-0752) to make a reservation. **The first lecture will be "Top Ten Low Maintenance Garden Habits," which will be held on January 21 from 3:00-4:00pm.** I look forward to meeting you there!
