Sprigs & Twigs Named Among the Best Family Businesses in Connecticut

Gales Ferry, Conn. – October 23, 2013 – Sprigs & Twigs, Inc., a leading landscape design, lawn care and tree service provider in southeastern Connecticut, has been recognized by the *Hartford Business Journal* in its inaugural Connecticut Family Business Awards. The awards were established to recognize the outstanding achievements in family-owned businesses and tell the story of a select group of the region's most successful firms.

Sprigs & Twigs received Fourth Place in the full-time employees less than 25 category of best family businesses. The first- and second-generation family members from the Gales Ferry-based company were honored at a special ceremony on October 17. In a field of 39 finalists, four winners were selected in their respective categories.

"We are proud to be recognized as one of the best family-owned businesses in Connecticut," said Bill Lillie, AOLCP, CEO, Sprigs & Twigs. "For more than 17 years, our family values have guided us. We work together as a team, giving back to the communities we serve and helping those in need."

The 2013 Connecticut Family Business Awards winners were determined through a judging process. Four judges reviewed all nominations and picked winners in each of the four categories: full-time employees less than 25, full-time employees 25-75, full-time employees 76-199 and full-time employees more than 200.

"We honored the companies that deftly responded to changing industry conditions while remaining true to their family values," said Brad Kane, managing editor, *Hartford Business Journal*. "Whether they developed new products, found new customers, or stayed the course while growing market share, our winners and finalists found the proper mix where tradition meets reality."
